To Whom It May Concern:

It is with great pleasure that I recommended Mr. Andy Gonzalez & his company Groundkeepers, Inc. Over the past few years, his company has been providing lawn maintenance work for our City. In his time with us, his company has worked efficiently and innovatively in maintaining and beautifying our City's green areas.

This past winter, his company undertook the task of decorating our City for the holidays. We are truly pleased with optimal aesthetic results he provided our City with. Mr. Gonzalez, time and again, has proven to be very dependable and always willing to work with you to achieve the best results possible.

I'm sure that his company's services will be an asset to any organization.

Sincerely,
